This is Aunt Peg's clever way of testing if the dude has a cock not only long and thick enough to excite Serena and filmwatchers, but also whether Michael has the kind of cock control needed in male sex stars. There are several ways for Michael to flunk his audition in Aunt Peg's hot-lipped mouth and prick-tickling tongue.

If he fails to get a good hardon because Aunt Peg took him by surprise, he'll never make it through a sex film shooting session. Under the lights, and with the cameras rolling, the ability to get to peak erection on demand

is a necessity. This phase, Michael passes with flying phallus. One can see it nearly poking through Aunt Peg's cheek, growing with every suck she lays on it.

Now that his cock size and ability to grow firm fast are established, the next phase is for Aunt Peg to try and tease the jizm out of his balls and make it shoot into her throbbing throat prematurely. No matter how delicious is the feeling of Aunt Peg's relentless fingers on his balls, and tongue-lapping of his shaft, he will be doomed to the role of a bit player in orgy

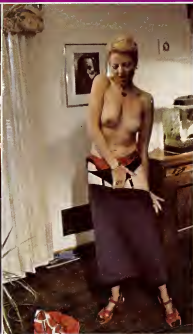

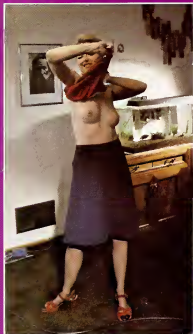

scenes if he cannot withstand the natural urge to cum under the influence of Aunt Peg's torrid blowjob. He must restrain himself from shooting off and somehow he does it, leaving only a tiny drop of jizm glistening on Aunt Peg's ravening tongue as a tribute to her cocksucking talents.

Serena, the redheaded beauty queen of X-land, has been

watching Aunt Peg and Michael, and decides to lend a hand and mouth and cunt to the audition. She is attracted to Mike, whose huge shaft will soon earn him the nickname of Iron Mike. But she also knows that her style of fellatio is different from Aunt Peg's. Just because Mike did not succumb to Peg's deep prick suction for a throat-filling five minutes is no guarantee that he

will be good for even ten seconds of Serena's special brand of tongue twisting.

Serena doesn't even bother stripping her fashionable turquoise blouse and flaring black skirt in her haste to taste Mike's meatpole. But Aunt Peg does an eyeball-popping striptease. She writhes out of her blouse and skirt, down her blood red garter belt and black stockings. As Serena's lightning tongue jabs into Mike's cumhole, with her fingers milking his balls like mad, and then agitating his prostate by shoving two wiggling fingers up his asshole, his eyes behold Peg pulling her pink pussy lips apart and dancing lewdly mere inches away from Mike's mouth.

Out juts Mike's tongue, lapping Peg's pussyjuices away, whirling and swirling around her inflamed clitoris, sucking her sweet lovebud and making her scream. And though sexy

Serena has applied ten layers of her titillatingly-tongued spittle to Mike's supershaft, bloated cockhead, and bulging balls, he is still as hard as a rock, as thick as a brick, as long as King Kong's dong.

Serena's sexy smile of approval, and Aunt Peg's clitoral climax induced by Mike's expert cunnilingus have imbued the handsome young man with well-earned self-confidence. He is the picture of controlled sensual arousal, delightedly watching as the exhibitionistic Serena reveals every aspect of her beauty — her perfect, pear-shaped tits, big-lipped, pulsating pussy, and the rounded mounds of her adorable ass. Now she is down to her basic cinematic wardrobe, black lace garter belt, black silk stockings and skin.

He lays back on the bed and grooves on Serena's striptease as Aunt Peg impales herself on his dong, coming down on it

HITCHING — #128

A beautiful, baby-faced blonde with mammoth mammaries and a sexdrive that never stops, strips down to the buff by the roadside in the hope of a ride and a sexual romp all in one. She gets what she wants, except that it is all in two. Two hotblooded young dudes pick her up and lay her down, just the way the lady likes it. They stuff every hole in her bawdy body with boundless enthusiasm for the task. And in the process of getting her pussy, anus and pretty face plugged by pricks, she shows the boys a few new tricks. When they shoot off all over her face and body and she consumes their cum like it was whipped cream, it is a fitting completion of their erotic dream. ●

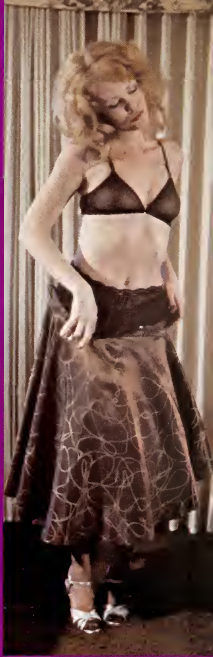

with her legs flung wide, then twisting and turning her talented tush until her cunt has consumed Mike's cock right down to the balls bouncing below her. Aunt Peg's facial contortions and the reddening of her pale skin reveal to Mike and Serena that what she is feeling now is orgasmic pleasure. They have passed the stage of auditioning now, and have entered into the realm of pure sex for its own sake.

Serena soon is sitting on Mike's chest, sucking her lesbian lover's lovely tits, nuzzling her long, supersensitive nipples. She shows that she can hardly wait to have a crack at Mike's cuntcleaver in her crack. She kisses her way down Mike's body, then pops her pert nose

to where his jizm-thickened rod is joined to Aunt Peg's joyriding pussy. As Peg rides up and down and whistles all around on Mike's cock, Serena is sweetening the sex with her tonguing and sucking of cock and cunt.

There is no way any man can resist such combined fucking and sucking. Aunt Peg is driving herself down on his sleek steel shaft with a fucking frenzy, literally hurling her hard little clit against the side of his shaft and then snapping his cock down to the bottom of her cunt. With the feel of Serena's divine lips on the bottom of his shaft on his outstroke, he shoots off into the heavens, pumping jizm from a seemingly endless supply. Aunt Peg flings herself from his body, electrified by her climax.

Serena tests Mike's sense of the bizarre by sucking Aunt Peg's jizm-loaded pussy until it is drooling down from her luscious lips. Mike adores the more exotic variations of sex. His instant hardon at the sight of Serena and Aunt Peg locked tongue to twat in the throes of lesbian love, shows his readiness for all and any erotic action. His tolerance is rewarded by the tandem of vixens who give him a two-headed headjob that sings the fringes of the screen.

Both sexstars are excited by the challenge of making Mike shoot off in their mouths. Serena and Aunt Peg both consider themselves fine artists in the practice of fellatio. And yet, thus far, Iron Mike's meatpole has proven immune to ejaculation via the oral route. It took the passionate plunging of Aunt Peg's nuclear-powered pussy in tandem with the lips of Serena to make his monster cock yield its milky white lovejuices. Neither of the two angels' mouths has been able to bring off the big

VIRGIN IN HEAT — #127

On a beautiful afternoon in the Marina, John Holmes and his date, a voluptuous venus with tresses of jet black and a shy look in her innocent eyes, arrive at her apartment. She is like a virgin in heat, alternating between ladylike demureness and sensual surrender. The combination unlocks the doors to Holmes' unlimited lust. We

share the doll's delight as every thrust of the superstud of the screen, widens her virginal cunt and asshole. She is like a wild young bitch in heat and he socks it to her without a hitch in beat. A "demi-vierge" has been converted into a knowing, sophisticated sensualist by the sure and steady, rough and ready strokes of Holmes' cock.

blastoff by itself. Now they both stretch out in front of Mike and conduct an experiment to test whether two mouths are better than one. Mike closes his eyes and sighs.

This time around it is Serena who takes the lead from the somewhat fucked-out Aunt Peg, and stretches herself out right beneath Mike's cock and starts the action rolling by chewing his balls. Then she raises her head,

rearing over his cock with her mouth wide open like a cobra about to swallow a rat, lust enlarging the pupils of her sexmad eyes. Into the carnal cavern of her mouth his dong slides and glides. This time Serena is not just licking his lovelump. This time she has constricted her throat around his thickened shaft. One can see her pale facial skin turning red from the effort of taking on his choking ration of cock beside her tonsils.

Aunt Peg is not the kind of lady (if indeed she may be termed a lady at all) who can remain idle while her darling Serena is giving it her all to get Mike to shoot off in her tremulous throat. Peg's mouth wends its way down to Mike's midriff and soon is salivating all over his hairy crotch, balls and shaft. With the sharp edges of her pearly white teeth, she scrapes the side of Mike's shaft whenever it glisteningly reappears from within the oral paradise of Serena's sweet lips. She is using every bit of sexual technique at her disposal to add extra thrills and chills to Serena's blowjob. Peg gums Mike's shaft, she tongue-tickles it, her hands climb into his asshole and stop just short of fistfucking him, trying to induce him to cumming in Serena's throat via the prostate route.

Mike can feel his cumcontrol hanging by a thread. But the thread is not a slender one.

Rather it is one of the longest strongest cocks ever seen on the silver screen. He is determined to resist the best cock-sucking ever known by man or beast, to prove to one and all that he is as good at sex as any of the studs who have earned fortunes by tucking beautiful women for the benefit of the cameras and the paying customers. Soon, a pattern has begun to play itself out in the hellicats' double-headed suckoff.

The girls have begun to switch off in their roles rapidly. One is sucking hard, the other softly on his shaft, one twining her trained tongue around his cockbub into his cumhole, while the second slishes the tip of her tongue into the crack of his asshole. Back and forth, back and froth foaming in his balls. Hot and heavy! Hell and heavenly!

THIS LOVE LESSON — #138

Three orgy-loving men discover that they share a common secret. Each has bailed white, black and brown chicks. But none of the boys has ever made it with an Oriental girl. They return to their den from Chinatown with three of the prettiest Oriental angels they have ever set eyes or cocks

upon. Soon the sixsome has loosened up on strong booze and lewd talk, and the three slanty-eyed sisters go down on their dates together. The camera follows all three suckings, each an individual love lesson for the lucky male being fucked and sucked, and for the fortunate filmfan. ●

Who is doing what to him he is no longer able to even guess in his mindblown, cockblown frenzy. His body jerks around spasmodically like a marionette controlled by a man with d.t.'s. Both bitches are now more than slightly in the thrall of this thick hunk of masculinity that has held out for an almost unnaturally long time against their tremendous urge to swallow his seed. They are openly expressing their admiration for Mike's equipment and technique, using all of their senses to get better acquainted with Iron Mike's future claim to fuckdom fame. He feels himself being touched, tasted, sniffed and eaten whole. And he isn't just laying back and taking it any more. He is fucking first one gorgeous, feverish face, and then the second, over and over again. It is for the viewer to judge which of the temptresses actually delivers the final coup de grace to his cock. Did he start to shoot off while being passed from Serena to Aunt Peg, or vice versa? The

vice is certainly versatile, and both the ladies and their lover show a venerable versimilitude that borders on the incredible! His cumflow is truly a torrent. The blonde and the redhead share the slime with the intensity in their eyes of that of a nun eating her communion wafers.

And still the audition is not yet ended. One of the key scenes in the movie being planned calls for the male co-star to rape the rectum of Sweet Serena, as a means of extracting a confession that Serena murdered the hero's best friend. The script calls for coldblooded brutality. Serena and Aunt Peg want to know if Mike has the balls to make a convincing asshole bandit.

Aunt Peg spreads out the sweet-meated buns of Serena and nods at Mike, ordering him aloud to rape her brown betty. His impersonation of a mad

rapist is totally convincing. The sordid scene has excited his imagination and he buggers her with his bulging dong, mercilessly reaming out the tender inner flesh of Serena's smooth anus. Aunt Peg's taut tongue provides the moisture to lubricate his cockthrusts into her lesbian lover's shithole.

Is Serena actually screaming in stiffened shock over the power of Mike's merciless plunges into her bung? Or is she doing an amazing acting job for the forthcoming sexdick? One thing is quite certain: Mike's brutal bugging is not feigned. Even a seductress as case-hardened by frequent daily sex as Aunt Peg is wide-eyed in awe of Mike's limber-hipped lunges into Serena's caca cavity.

Mike spurts jizm for the third time of this session, into the intestines of orgasmic Serena. Mike has made it! A Star is Born!
